

Active 20-30 Club of Greater Sacramento #1032

January 2, 2012

Dear Potential Beneficiary:

The Active 20-30 Club of Greater Sacramento #1032 is currently accepting applications from charities that wish to become beneficiaries for one of our two annual fundraisers. We are selecting beneficiaries for our annual Monte Carlo event to be held in October or November 2012, and our annual Crab Feed, which will be held in February or March of 2013. Proceeds from these events will be distributed in or around February 2012 and June 2013, respectively.

Our organization has funding guidelines which require we make charitable contributions that directly benefit the children in the Sacramento region. Contributions cannot be used for indirect benefits such as administrative or personnel costs. To assist the Charity Research Committee in determining whether your organization meets our funding guidelines, enclosed is a copy of the funding application. Please complete the application and provide as much detailed information as possible regarding the nature of your request and how your contribution will directly affect local children. *Precise and detailed information regarding your charity, the dollar amount requested, and how the requested monies are allocated will make your application stronger.*

For your convenience, an electronic copy of the application is also available online at <http://www.sacwomens2030.org/charityresearch.html>.

Applications must be postmarked or electronically submitted by February 29, 2012. Please send electronic submissions to charityresearch@sacwomens2030.org or mail your submission to:
