January 2, 2017

Dear Potential Beneficiary:

The Active 20-30 Club of Greater Sacramento #1032 is currently accepting applications from charities that wish to become beneficiaries for our annual fundraisers. We are selecting beneficiaries for our annual Sactown Urban Dash (Fall 2017), as well as our annual Crab Feed (Spring 2018). Proceeds from these events will be distributed in or around February 2018 and June 2018, respectively.

Our organization has funding guidelines, which require we make charitable contributions that directly benefit the children in the Greater Sacramento area. *Contributions cannot be used for indirect benefits such as administrative or personnel costs.* To assist the Charity Research Committee in determining whether your organization meets our funding guidelines, enclosed is a copy of the funding application. Please complete the application and provide as much detailed information as possible regarding the nature of your request and how your contribution will directly affect local children. Providing precise and detailed information regarding your charity, the dollar amount requested, and how the requested monies are allocated will make your application stronger.

For your convenience, an electronic copy of the application is also available online at <http://www.sacwomens2030.org/charityresearch.html>.
